**Attendance-** Out of respect for teachers and other students, attendance is mandatory once your child has chosen his/her class. We understand that some things are uncontrollable and there may be a time when a student is not able to come to class (please call the studio to let the teacher know in advance). However, if a teacher or director feels a student has missed too many classes it may result in your child getting cut from a piece or having a very little part in the routine. Routines are choreographed based on the number of students in class, and teachers **can not** wait until the last minute to adjust numbers, especially those going to competition. Directors reserve the right to deny or withdraw any student from performing; whether it be at the Academies recital or competition due to inappropriate behavior or for non-payment of tuition, costumes, or any other outstanding balance.

**Costume-** Every student **MUST** have a costume in order to be in the June recital. A minimum deposit (\$75 for children in 1 routine and \$100 for children in multiple routines) is required upon request in order for your child's costume to be ordered.

***\*Deposits are non-refundable.***

**Competition Team-** Any student that wishes to be a part of the TKO Competition Team needs to first audition. Auditions for the TKO competition team will take place at the end of August. If a child has missed the first audition and is interested in the competition team, he/she will have the option to set up a private audition.

***Every competition student MUST participate at every competition (Regionals & Nationals). If, for any reason, a competition student will NOT be able to attend a regional or national competition, he or she must notify the director two (2) months prior to the competition. Failure to notify the director two months prior to a competition will result in that student paying for his or her competition fees in full regardless if he or she attends.***

***Photo Release: By signing this document you hereby release the right for TKO Dance Academy to publish any photo of your child via their website and/or any other means of advertisement.***

***\*Cell Phones, Jewelry, Hand Held Devices, or any other Valuables are recommended to stay at home. Also, once you enter the building, Cell Phones MUST be turned off, they interfere with class and the cameras. If a parent wishes to reach a student they should call the studio. We are not responsible for any lost or stolen property, or any property left on the premise.***
